I have questions about the “Stay Home, Stay Safe” executive order extension/expansion that went into effect on May 18th at 1:00pm. Where can I find the latest information?

To continue to combat the spread of COVID-19 in Michigan, Governor Whitmer extended the “Stay Home, Stay Safe” executive order **through May 28th**. As with the prior orders,

Executive Order 2020-92 limits gatherings and travel and requires all workers who are not necessary to sustain or protect life to stay home. In contrast to previous orders, Executive Order 2020-92 allows for more lenient measures that allow for landscaping & gardening operations to continue- while maintaining mandatory social distancing restrictions-, non-essential business to open- as long as they are able to do curbside pickup operations-, certain manufacture work to start, certain retail operations to start, and requires that individuals medically able wear face coverings in public enclosed spaces. For those who have questions about the state's actions to mitigate the spread of coronavirus, please call the COVID-19 Hotline at 888-535-6136 between 8am-5pm daily or visit https://www.michigan.gov/whitmer/0,9309,7-387-90499_90705-529476--,00.html for a summary of the executive order.

I have questions about the recommendation to wear a cloth face covering in public. Where can I find accurate information?

The Center for Disease Control (CDC) recommends wearing cloth face coverings in public settings where other social distancing measures are difficult to maintain (e.g., grocery stores and pharmacies), **especially** in areas of significant community-based transmission. Read below for details to consider when wearing a mask to protect yourself and others. For a full summary of CDC recommendations, call 800-232-4636 or visit the CDC website: <https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/diy-cloth-face-coverings.html>.

- The cloth face cover is meant to protect other people in case you are infected. You can spread COVID-19 even if you don't feel sick.
- Continue to keep about 6 feet between yourself and others. The cloth face cover is not a substitute for social distancing.
- Cloth face coverings should not be placed on young children under age 2, anyone who has trouble breathing, or is unconscious, incapacitated or otherwise unable to remove the mask without assistance.
- The cloth face coverings recommended are not surgical masks or N-95 respirators. Those are critical supplies that must continue to be reserved for healthcare workers and other medical first responders, as recommended by current CDC guidance.

UPDATE: Per Governor Whitmer's Executive Order, effective April 26th, all medically-able individuals must wear non-medical grade face coverings in enclosed public spaces.

I have questions about the virus COVID-19. Where can I find accurate information?

District Health Department #10 - Call the state hotline 888-535-6136 or email info@dhd10.org if you have questions regarding COVID-19. You can also visit <https://www.dhd10.org/coronavirus/> for on demand updates specific to Oceana County.

I'm looking for low cost or free food options for kids. What options are available?

Hesperia Public Schools will no longer be distributing food on Mon/Wed/Fri. Lunches will now be available at pick up sites on the district premises every Tuesdays/Thursdays through June 4th. Distribution of food will take as follows: Kindergarten through 4th-grade students at the north side of the building at the Bell Tower entrance. 5th through 8th-grade students at the middle school office entrance on the west side of the building. 9th through 12th-grade students at the high school office entrance on the south side of the building. Pick up will be between 11am-1pm and students will receive a 3 day supply of breakfast and lunch. For the latest information, please call Dana Gierzak, Food Service Director at 231-854-0509 or visit the district's website <https://www.hesp.net/about-us/documents/health/>.

Pandemic EBT Program

All students of the Hesperia Public Schools system regardless of income will receive additional financial support for food purchasing through a government program called the Pandemic Electronic Benefit Transfer Program. Families with a Bridge Card will have additional funds added to their card. Families that do not have a Bridge Card will receive a Pandemic EBT card in the mail sent under the name of their oldest child. Funds are tentatively scheduled to be distributed by the end of the first week in May. For more information, refer to the flyer:

https://www.hesp.net/downloads/district_documents/pandemic_ebt_-_michigan.pdf.

I need to go to the grocery store, but I'm worried about exposure due to being high risk. What should I do?

SpartanNash stores (D&W Fresh Market, Family Fare) are setting aside time for store guests most at risk of contracting the virus, including older adults, pregnant women & immunocompromised individuals every Tuesday/Thursday from 7-9am. Store hours vary by location.

Walmart stores have implemented new open hours from 7-8:30pm unless the store normally opens later. There is an hour-long senior shopping event every Tuesday for customers aged 60 and older that will start one hour before the store opens. Store hours vary by location.

Meijer stores have implemented new open hours from 8am-Midnight (but select stores close at 11pm). Check online to find your local store: <https://www.meijer.com/shop/en/store-finder>. Stores and pharmacies will provide dedicated shopping times for senior citizens and customers with chronic health conditions on Tues/Thurs from 6-8am. Essential service workers and Meijer Team Members can shop on Mons/Weds from 6-8am.

Target stores have expanded dedicated shopping time for its most vulnerable guests, making the first hour stores open on Tuesdays and Wednesdays available for those over 65 years old, pregnant women and those defined by the CDC as vulnerable or at-risk. To confirm local store opening times, visit [Target.com/store-locator](https://www.target.com/store-locator).

I have concerns about fake/scamming emails, phone calls and text messages with topics related to the COVID-19 crisis. Where can I get accurate information?

The **Federal Communications Commission (FCC)** has received reports of scam and hoax text message campaigns and scam robocalls offering free home testing kits, promoting bogus cures, selling health insurance, and preying on virus-related fears. Read below for a few tips to help you protect yourself from scams:

- **Do not** click on links in texts related to the virus, and check [cdc.gov/coronavirus](https://www.cdc.gov/coronavirus) for the most current information.
- **Be wary** of phone calls and text messages that claim to be from the World Health Organization (WHO), or charity organizations, asking for account information or money.

- Many consumers will receive checks as part of the federal government response to the coronavirus. **No one** will call or text you to verify your personal information or bank account details in order to "release" the funds.

For more information about scam calls and texts, visit the www.fcc.gov/consumers and the www.fcc.gov/covid-scams. You can also file a complaint about such scams at www.fcc.gov/complaints.
