ANNUAL AUDIT PRESENTATION

Ms. Hubbard, Beene Garter partner, began the audit presentation by explaining the auditor, management, and governance responsibilities; speaking relevant qualitative aspects of accounting practices; and providing highlights from the management letter. Mr. Hawkes, the lead on the single audit this year, proceeded with a review of the 2019 Single Audit.

Mr. Hawkes explained a Single Audit is the compliance part of an audit, triggered when an entity expends \$750,000 or more in federal awards in a fiscal year. Dwelling Place expended approximately \$23 million in 2019. Three programs were tested this year: Community Development Block

Grants, the Neighborhood Stabilization Program, and the Continuum of Care Program, which account for 25% of the \$23 million. Mr. Hawkes announced there were no findings.

Ms. Hubbard moved on to a high level summary of the Combined Statement of Operations comparing 2019 to 2018. In 2019 revenue was down slightly, although rental income remained steady, and expenses were slightly up, primarily due to wage increases. Overall, the two years are fairly comparable. Of note, there was a 36% decrease in vacancy loss and 52% decrease in bad debt. Michigan Nonprofit Housing contributions of about \$2.2 million was a decrease from last year's \$3.8 million. There was a significant \$1.1 million unrealized gain on investments. However, much of that gain has been lost due to the COVID-19 pandemic. The City of Grand Rapids forgave \$500,000 HOME loan funding on the Ferguson project along with \$85,000 accrued interest on that loan. Ms. Hubbard then delved into details of the organization's assets, liabilities, net assets, revenues and support, and expenses using graphs and charts to provide visual depictions and historical trends.

Ms. Hubbard introduced Ms. Van Putten, the audit engagement manager, to compare Dwelling Place's financial ratios to the 2018 Neighborworks Peer Group ratios. Ms. Van Putten remarked the key takeaway is that Dwelling Place is outperforming the peer group for all ratios measured.

UPDATES & ANNOUNCEMENTS

Mr. Kogelschatz gave a brief overview of the work the Succession Planning Committee has already accomplished and will keep the board apprised of the committee's future actions.

Ms. Schaub described a \$28,950 grant from MCACA supporting the expanded Community Arts series, which would create opportunities for Dwelling Place residents to connect to city-wide arts and cultural opportunities. This application will be submitted by Community Building & Engagement department staff. **Motion to approve this application was made by David Byers, supported by Larry Titley, and carried unanimously.**
