

# Ride the Bus

To thrive, it's important to immerse oneself in the community. But for a variety of reasons, transportation remains a common barrier for Dwelling Place residents. This makes it very difficult to get to appointments, work, volunteer opportunities and community events. Ride the Bus is a fiscal collection created to break the barrier, helping residents thrive, one bus ticket at a time.

## How to host a collection:

- 1** Contact the Volunteer Coordinator. We'll need to know:
  - Primary Contact name with phone and email
  - What organization/group you represent
  - How long you're hoping to collect for
- 2** Start collecting! We have a Ride the Bus collections tin we will drop off to your business outlining our organization and the purpose of the drive.
- 3** Whatever money you've collected for our drive you can PayPal us, or drop off at our main office. Our residents are grateful for your support!

*Opportunity is one bus ride away.*

*Ready to get started?*

**Volunteer Coordinator, Brian Molhoek**
