VISTA Summer 2022 Resident Survey Coordinator, Dwelling Place

AmeriCorps VISTA Summer Associate

Grand Rapids, Michigan

Dwelling Place seeks an outstanding individual to provide one summer of service through AmeriCorps VISTA (Volunteers in Service to America). Dwelling Place is a community-based nonprofit organization whose mission is to improve the lives of people by creating quality affordable housing, providing essential support services and serving as a catalyst for neighborhood revitalization. Our AmeriCorps VISTAs will function as a core part of our staff team working alongside permanent staff, yearlong VISTA Members, internship staff, and community volunteers.

The VISTA Summer Resident Survey Coordinator will conduct activities such as coordinating the distribution and collection of the Dwelling Place annual Resident Survey and managing community outreach activities such as ice cream socials at properties to increase the participation rate in the survey. The VISTA will connect closely with other staff and volunteers to improve the quality of life for the low and moderate-income Dwelling Place communities across West Michigan. This position supports work to increase the voices of residents and the impact that they can make on the communities where they live.

Project goal: Expand resident participation in the Dwelling Place Resident Satisfaction Survey to exceed previous participation across apartment communities.

This position requires a commitment to serve as a full-time employee for a ten (10) week period beginning Monday June 6, 2022 – August 14, 2022. Compensation is paid directly to VISTA Summer Associates in the form of a modest bi-weekly living allowance from AmeriCorps VISTA. At the end of the term of service, an education award or cash stipend may be provided. For more information about AmeriCorps VISTA, see http://www.nationalservice.gov/programs/americorps/americorps-vista.

Training and Qualifications

- U.S. Citizen at least 18 years of age
- Responsible, self-motivated, and able to handle multiple on-going projects
